A white marble statue of the Virgin Mary stands in a park. She is depicted in a standing position, wearing a long, flowing robe with a sash at the waist. Her hands are held out at waist level, palms facing forward. The background consists of lush green trees with some autumn-colored leaves, and a building is visible in the distance under a soft, hazy sky.

We continue living our mission by...

*Being grateful*

*Loving one another*

*Serving our parish and  
beyond*

*Going to mass*

*Praying*
